## NEC SV9100 LMS R9 Entitlement Licenses

Effective 3/29/19 or later (until the next version release), the following “Entitlement” licenses are automatically activated – *at no charge* – to every new LMS account as soon as the associated customer location is created.

License Part Numbers		License Description	Feature Code	Suffix		Feature Code Description
New Part #	Old Part #			Basic	Max *	
BE118381	N/A	SV9100 Version (R9) License	0419	001	001	SV9100 R9 Features <i>Includes all features from previous versions. For existing sites, this is only available through PSA SWA)</i>
			0418	001	001	SV9100 R8 Features
			0417	001	001	SV9100 Version 7 (R7) Features
			0416	001	001	SV9100 Version 6 (R6) Features
			0415	001	001	SV9100 Version 5 (R5) Features
			0414	001	001	SV9100 Version 4 (R4) Features
			0413	001	001	SV9100 Version 3 (R3) Features
			0412	001	001	SV9100 Version 2 (R2) Features
Q24-DN000000106260	640793	3rd-Party CTI	0112	001	999	3rd-Party CTI License Not for purchase – is only provided as an LMS entitlement license. Although feature is included in every User License, it is also required for UCS when viewing status of an analog or digital station that does not have a user license.
Q24-DN000000120211	640853	PhonePro	3514	001	001	PhonePro (R4) System-wide license. Not for purchase – is only provided as an LMS entitlement license.

## NEC SV9100 LMS R8 Entitlement Licenses

Effective 9/12/18 or later (until the next version release), the following “Entitlement” licenses are automatically activated – *at no charge* – to every new LMS account as soon as the associated customer location is created.

License Part Numbers		License Description	Feature Code	Suffix		Feature Code Description
New Part #	Old Part #			Basic	Max *	
BE114050	N/A	SV9100 Version (R8) License	0418	001	001	SV9100 R8 Features <i>Includes all features from previous versions. For existing sites, this is only available through PSA SWA)</i>
			0417	001	001	SV9100 Version 7 (R7) Features
			0416	001	001	SV9100 Version 6 (R6) Features
			0415	001	001	SV9100 Version 5 (R5) Features
			0414	001	001	SV9100 Version 4 (R4) Features
			0413	001	001	SV9100 Version 3 (R3) Features
			0412	001	001	SV9100 Version 2 (R2) Features
			0411	001	001	SV9100 Version 1 (R1) Features
Q24-DN000000106260	640793	3rd-Party CTI	0112	001	999	3rd-Party CTI License Not for purchase – is only provided as an LMS entitlement license. Although feature is included in every User License, it is also required for UCS when viewing status of an analog or digital station that does not have a user license.
Q24-DN000000120210	640852	Web Video Conference (with WebRTC)	0080	004	032	Web Video Conference (R4). (4) provided as LMS Entitlement with R4- R6. Additional ports must be purchased.  With R7, these (4) no-charge licenses are built into the system software. However, there was a delay in removing them from the R7 LMS entitlement. They continued through 11/7/17 and were removed as of 11/8/17.  Also, any system that was LMS registered as R4-R6 and upgrades the system software to R7, will now have a total of (8) no-charge licenses.
Q24-DN000000120211	640853	PhonePro	3514	001	001	PhonePro (R4) System-wide license. Not for purchase – is only provided as an LMS entitlement license.

## NEC SV9100 LMS R7 Entitlement Licenses

Effective 7/12/17 or later (until the next version release), the following “Entitlement” licenses are automatically activated – *at no charge* – to every new LMS account as soon as the associated customer location is created.

License Part Numbers		License Description	Feature Code	Suffix		Feature Code Description
New Part #	Old Part #			Basic	Max *	
BE114049	N/A	SV9100 Version (R7) License	0417	001	001	SV9100 R7 Features <i>Includes all features from previous versions. For existing sites, this is only available through PSA SWA)</i>
			0416	001	001	SV9100 Version 6 R6 Features
			0415	001	001	SV9100 Version 5 (R5) Features
			0414	001	001	SV9100 Version 4 (R4) Features
			0413	001	001	SV9100 Version 3 (R3) Features
			0412	001	001	SV9100 Version 2 (R2) Features
			0411	001	001	SV9100 Version 1 (R1) Features
Q24-DN000000106260	640793	3rd-Party CTI	0112	001	999	3rd-Party CTI License Not for purchase – is only provided as an LMS entitlement license. Although feature is included in every User License, it is also required for UCS when viewing status of an analog or digital station that does not have a user license.
Q24-DN000000120210	640852	Web Video Conference (with WebRTC)	0080	004	032	Web Video Conference (R4). (4) provided as LMS Entitlement with R4- R6. Additional ports must be purchased.  With R7, these (4) no-charge licenses are built into the system software. However, there was a delay in removing them from the R7 LMS entitlement. They continued through 11/7/17 and were removed as of 11/8/17.  Also, any system that was LMS registered as R4-R6 and upgrades the system software to R7, will now have a total of (8) no-charge licenses.
Q24-DN000000120211	640853	PhonePro	3514	001	001	PhonePro (R4) System-wide license. Not for purchase – is only provided as an LMS entitlement license.

## NEC SV9100 LMS R6 Entitlement Licenses

Effective 12/21/16 through 7/12/17, the following “Entitlement” licenses are automatically activated – *at no charge* – to every new LMS account as soon as the associated customer location is created.
