Samsung SMT-W5100E Wi-Fi Handset

The SMT-W5100E handset replaces the existing WIP-5000M handset in the SMT-R2000 dual band AP wireless solution.

7200 DEMO KIT CHANGE

The SMT-W5100E handset will be included in the OS7200 Demo Kit.

OS WIRELESS DUAL-BAND STARTER KIT

The SMT-W5100E handset will also be included in the OS Wireless Dual-Band Starter Kit. **The Starter Kit will be reduced from \$1,810 to \$1,699.**

ORDERING

The new Excel Price List and the GSBN site have the new handset and kits and are available to order.

The SMT-W5100E handset is not compatible with the Combo WAP (WBS24). Samsung will maintain a limited supply of WIP-5000M handsets and Combo WAPs to support current installations.
