

# Why Samsung?

**SAMSUNG**

# THE SAMSUNG ADVANTAGE

## Our Commitment

The level of trust in business relationships is a major element for business success. And those who are successful know how powerful it is to find better ways to make people more productive. With Samsung, these two important elements are right at your fingertips.

Designed for managing communications more efficiently; saving money and administration time, Samsung Phone Systems help you build that trust, while driving productivity and cost-saving opportunities.

## Innovation and Quality

For over 70 years, Samsung has been creating products and services with only one vision: taking the world to inspiring new directions through innovation and quality. With Samsung, you can rest assured your business will enjoy best-in-class communication solutions and cutting-edge functionality at an affordable price.

Samsung OfficeServ™ Systems bring superior voice and data convergence, wired and wireless connectivity, traditional and IP phone technologies, SIP services, WiFi and CTI applications, all into a single, expandable platform... A platform that has all the power and versatility you need at a size and price that's right for you.

## Our Pledge

Samsung works with you to understand your business goals and match products and services to your business needs. Creative thinking, inspired engineering, and product performance – they all come together to enable you to experience **The Samsung Advantage:**

- **Investment Protection**
- **Evolving Technology**
- **Improved Productivity**
- **Enhanced Efficiency**
- **Increased Accessibility**
