

The Samsung logo, consisting of the word "SAMSUNG" in a bold, sans-serif font, is enclosed within a black oval shape.

# Product Bulletin

TITLE: DCS SYSTEM VERSION DISPLAY  
DATE: OCTOBER 10, 1995  
ISSUED BY: PRODUCT DEPARTMENT

BULLETIN NO.: 048-DCS0  
NO. OF PAGES: 1 of 2

This bulletin is to notify technical personnel that the MMC used to display the system version is not the same MMC for both PROSTAR DCS Release 1 and PROSTAR DCS Release 2. PROSTAR DCS Release 1 uses MMC 805 to display the system version and PROSTAR DCS Release 2 uses MMC 727.

The *PROSTAR DCS Technical Manual* dated August 1995 does not currently include MMC 805. Please add the attached MMC 805 to the *PROSTAR DCS Technical Manual* dated August 1995 to assist you in programming PROSTAR DCS Release 1 systems.
