TITLE: Technical Bulletin Board

Dear Dealer,

Since incorporating all of our technical bulletins and PCMMC programs onto the STA web site, the Bulletin Board has become redundant. Therefore, the STA Technical Bulletin Board has been taken off line.

To access the STA web site, go to www.samsungusa.com. You will require a company sign on ID and password. If you do not yet have a sign on ID, please call Customer Service at 1-800-876-4782.

If you have any questions about this or any other Technical bulletins please contact Technical support by phone 1800 737 7008 or by email techsupportmiami@sta.samsung.com.
