SAMSUNG **Product Bulletin**

TITLE: Basic 12B Keyset LEDs on Keys 7 and 8   BULLETIN NO.: 041-DCSZ
DATE: JUNE 19, 1995   NO. OF PAGES: 1 of 1
ISSUED BY: PRODUCT DEPARTMENT

This bulletin is to advise you of documentation errors relating to the DCS Basic 12B keyset.

The Basic 12B keyset has six **NOT** eight tri-colored LEDs. Buttons 1–6, the top row only, will light red, green and amber. Buttons 7 and 8 light **RED ONLY**. DCS and DCS COMPACT user guides and General Descriptions will be corrected as is necessary.

Please do not advertise, propose or sell the DCS product to perform other than as described above. Related documentation will be corrected in the next printing.

We sincerely regret any inconvenience this may have caused and we wish you continued success in the future.
