Manufacture Discontinue Notice iDCS 100 SMISC1 and SMISC 2 Cards

Manufacture Discontinue Notice	
Last Time Order Date:	September 9, 2005
Last Time Ship Date:	September 9, 2005
Manufacture Discontinue (MD) Date:	September 9, 2005

Introduction

Samsung Telecommunications America would like to inform Authorized Dealers of the discontinuation of the SMISC1 and SMISC2 cards for the iDCS 100 line of products from Samsung. These cards are being replaced with new cards. Specific details of which part codes are being discontinued and their replacements are described in the table on the next page.

Samsung strives to provide customers with affordable and powerful communications systems. This change provides a single common internal modem card for the iDCS 100 and iDCS 500 system platforms. Therefore, the SMISC1 and SMISC2 cards are being discontinued and replaced with cards that work with the iDCS Modem.

Definition

Manufacture Discontinue Definition – This notice serves as formal communication of Samsung Telecommunications America's intent to Manufacture Discontinue (MD) the product(s) noted. **Should inventories of this product be available after the Manufacture Discontinue date, customer orders will be fulfilled until those inventories have been exhausted.** The MD of these products should not be interpreted as the discontinuance of any Samsung Telecommunications America agreements to support existing population of the SMISC1 and SMISC2 product in the field. Technical Support, Parts and Services to existing installed product will continue to be provided.
