Manufacture Discontinue Notice DCS Compact Non-CID Components

| Manufacture Discontinue Notice | |
|------------------------------------|--------------------|
| Last Time Order Date: | September 23, 2005 |
| Last Time Ship Date: | September 23, 2005 |
| Manufacture Discontinue (MD) Date: | September 23, 2005 |

Introduction

Samsung Telecommunications America would like to inform Authorized Dealers of the Discontinuation of components for the DCS Compact. Specific details of which part numbers are being discontinued are described in the table on the next page. DCS Compact components that provide Caller ID services remain available. Over the past several years support for Caller ID services has become standard. The Non-Caller ID components have become outdated and will be retired.

Definition

Manufacture Discontinue Definition – This notice serves as formal communication of Samsung Telecommunications America's intent to Manufacture Discontinue (MD) the product(s) noted. **Should inventories of these products be available after the Manufacture Discontinue date, customer orders will be fulfilled until those inventories have been exhausted.** The MD of these products should not be interpreted as the discontinuance of any Samsung Telecommunications America agreements to support the existing population of DCS Compact product in the field. Technical Support, Parts and Services to existing installed product will continue to be provided for two years from the MD date.
