Manufacture Discontinue Notice Certain iDCS 500 Release 1 Components

Manufacture Discontinue Notice	
Last Time Order Date:	October 31, 2005
Last Time Ship Date:	October 31, 2005
Manufacture Discontinue (MD) Date:	October 4, 2005

Introduction

Samsung Telecommunications America would like to inform Authorized Dealers of the Discontinuation of specific Release 1 components of the iDCS 500 platform. Specific details of which models and items are being discontinued are described in the table on the next page. While Samsung strives to provide customers with affordable and powerful communications systems, the overwhelming popularity of the newer IP-Enabled iDCS 500 family of components has drastically reduced the need to produce older components, therefore it is no longer economical to manufacture certain iDCS 500 Release 1 equipment. The iDCS 500 Release 1 components still available will remain available as long as orders for those models keep it economical to continue manufacturing them.

Definition

Manufacture Discontinue Definition – This notice serves as formal communication of Samsung Telecommunications America's intent to Manufacture Discontinue (MD) the product(s) noted. **Should inventories of these products be available after the Manufacture Discontinue date, customer orders will be fulfilled until those inventories have been exhausted.** The MD of these products should not be interpreted as the discontinuance of any Samsung Telecommunications America agreements to support the existing population of iDCS 500 Release 1 product in the field. Technical Support, Parts and Services to existing installed product will continue to be provided for two years from the MD date.

Dealer Actions

Samsung Authorized Dealers should prepare themselves for this manufacture discontinue in the following manner:

- Attend at least one iDCS system-level certified training session
- Standardize on iDCS 500 Release 2 equipment for all new systems
- Implement a support plan for the installed base of iDCS 500 Release 1 equipment which includes upgrading systems older than 5 years to Samsung's current product portfolio.

If you have any questions regarding this notice, please contact your Regional Sales Manager, your Customer Service Representative at the number provided below, or via email at BCS.Sales@samsung.com.
