Manufacture Discontinue Notice Single-Line Integrated Mobility (SLiM)

Manufacture Discontinue Notice	
Last Time Order Date:	February 27, 2006
Last Time Ship Date:	February 28, 2006
Manufacture Discontinue (MD) Date:	February 28, 2006

Introduction

Samsung Telecommunications America would like to inform Authorized Dealers and Distributors of the Discontinuation of the Samsung Single-Line Integrated Mobility (SLiM) product. Specific details of which part numbers are being discontinued are described in the table on the next page. Samsung strives to provide customers with affordable and powerful communications systems. The introduction of the Samsung OfficeServ Wireless product and recent market events has removed the need for the SLiM product.

Definition

Manufacture Discontinue Definition – This notice serves as formal communication of Samsung Telecommunications America's intent to Manufacture Discontinue (MD) the product(s) noted. **Should inventories of these products be available after the Manufacture Discontinue date, customer orders will be fulfilled until those inventories have been exhausted.** The MD of these products should not be interpreted as the discontinuance of any Samsung Telecommunications America agreements to support the existing population of product in the field. Technical Support, Parts and Services to existing installed product will continue to be provided for two years from the MD date.
