Manufacture Discontinue Notice DCS 24D 24-Button Keypad

Manufacture Discontinue Notice	
Manufacture Discontinue (MD) Date:	June 1, 2006

Introduction

Samsung Telecommunications America would like to notify Authorized Dealers and Distributors of the planned discontinuation of the DCS Keypad. The 24D (Charcoal) Keypad has had a long and prosperous run with Samsung's family of Keypads; however, the time has come to retire this model as it is no longer economical to manufacture this keypad and meet the upcoming environmental standards in compliance with RoHS.

Definition

This notice serves as formal communication of Samsung Telecommunications America's intent to Manufacture Discontinue (MD) the product noted. Should inventories of this product be available after the Manufacturer Discontinuation date, customer orders will be fulfilled until those inventories have been exhausted. The MD of this product should not be interpreted as the discontinuance of any Samsung Telecommunications America agreements to support existing population of the DCS 24D Keypad in the field. Technical Support, Parts and services to existing installed product will continue to be provided for two years from the MD date.
