

Bulletin No.: MD-2006-08

December 5, 2006

Manufacture Discontinue Notice

Manufacture Discontinue Notice	
Manufacture Discontinue (MD) Date:	December 5, 2006

Introduction

Samsung Telecommunications America would like to notify Authorized Dealers and Distributors of the discontinuation of various items and Kits. **These are being replaced with new and improved product and in most cases at a lower price.** Specific details of which part numbers and kits are being discontinued are described in the table as follows. Samsung strives to provide the products that are state of the art and that are competitively priced. This in turn causes many items to be rendered obsolete and impossible to economically manufacture.

Definition

This notice serves as formal communication of Samsung Telecommunication America's intent to Manufacture Discontinue (MD) the products noted. **Should inventories of these products be available after this date of MD, customer orders will be fulfilled until those inventories have been exhausted.** The MD of these products should not be interpreted as the discontinuance of any Samsung Telecommunications America agreements to support the existing population of these products installed in the field. Technical Support, Parts, and Services to existing installed product will continue to be provided for two years from the MD date.
