## OfficeServ 100 Power Supply Upgrade

Dear Partners,

Please be advised that an upgrade was made to Power Supplies in the OfficeServ 100 cabinets manufactured after September, 2008, in order to improve reliability of the units.

**Cabinets with serial numbers 2L2K310001 and greater already contain the improved power supplies.** Samsung's Authorized Service Centers will expedite repairs to upgrade OfficeServ 100 power supplies which are returned under an RMA.

Warranty on all OfficeServ 100 power supplies sold prior to September 2008 will be extended to August 2013.
