

Conference Call from a Single Line Phone

- 1) Dial 9 + phone number and establish a call or dial an extension.
- 2) Press the Flash Button and dial 46 (this is the conference feature).
Flash button can also be the hookswitch.
- 3) Repeat 1.
- 4) Press the Flash Button and dial 46.
You can do this to make a five party conference call. Yourself + 4 others.
- 5) Press the Flash Button and dial 46 to add yourself.
